### **ENVISION RADIO NETWORKS® ANNOUNCES DIOSA DEL DESTINO**

#### ***New Astrology Minute Available For Spanish Radio***

(FEBRUARY 2009) – **Envision Radio Networks®** and **Lisa.fm** are pleased to announce **Diosa del Destino**, a new sixty second astrology-themed daily vignette for Spanish Radio. **Diosa del Destino** (Goddess of Destiny) is the latest offering in the growing line of Spanish content available from **Envision Radio Networks®**.

In these tough economic times, more people are turning to astrologers and psychics to find out their future. Based on an ancient science that blends astrology, numerology and the deck of cards, **Diosa del Destino** gives listeners the power to discover *their own* destiny – by learning about themselves through their “Card,” which is based on the day and month they were born. Each daily sixty-second segment includes guidance on how to best use the day’s Card energies for success, and offers a personality profile of persons born on that day. Listeners will also learn which celebrities share their ‘Card.’

“Diosa del Destino offers information and entertainment altogether in one vignette” says **Danno Wolkoff**, CEO/President **Envision Radio Networks**. “Affiliates can use the program as a benchmark feature where listeners will be entertained each day with compelling readings and advice.”

“You will be amazed at how accurately Diosa del Destino can describe a person, based only on the day and month they were born. It’s a fun way to learn more about yourself, your friends, your boss or anyone else you’re interested in,” said **Lisa Osborne**, of **Lisa.fm**. “Diosa del Destino is more personalized than traditional horoscopes because the Cards change daily, unlike horoscope signs which only change once a month.”
