

Discover Your Destiny
With GoddessofDestiny.com

*An ancient science blending Astrology,
Numerology & Playing Cards*

You will be amazed at how accurate Destiny Cards can be in revealing key personality traits; based only on the day and month you were born.

How to Use:

- Find your birthday on the calendar to discover your personal Card
- Read the description of the suit and number (or face card) to find out what your Card says about you
- Look up your friends, family, love interest, boss, co-workers, rivals

Key to the Cards

♥ **Hearts** The Heart is compassionate, enjoys socializing and being in relationships.

♣ **Clubs** represent knowledge, ideas, school. The Club enjoys talking, reading, learning and sharing ideas.

♦ **Diamonds** represent money, values, career. The Diamond is here to make money, learn values; and to collect experiences, possessions.

♠ **Spades** represent work, transformation and health. The Spade is wise, intuitive and enjoys working and keeping busy with activities.
