♣♥Key to the Cards ♦♠

♥ **Hearts** represent love, emotions and youth. The Hearts person is compassionate, and enjoys socializing and being in relationships.

♣ **Clubs** represent knowledge, ideas and school. The Clubs person enjoys talking, reading, learning and sharing ideas.

♦ **Diamonds** represent money, values & career. The Diamonds person is here to collect experiences & things of value.

♠ **Spades** represent work, transformation and health. The Spades person is wise and enjoys working and *doing* things.

Ace (1) is the number of self-discovery. 'Ace' people are ambitious, active and driven.

Two is the number of logic, union and balance. Partnerships are important to the 'Two' person.

Three is creativity & indecision. The Three person is curious, restless & will try new things.

Four is the number of stability & hard work. The Four person is stable, fortunate & protected.

Five represents change and variety. The Five person is a restless adventurer who enjoys their freedom and values individuality.

Six is the number of karma & fairness. A Six person enjoys order, union and cooperation.

Seven is a mystical or spiritual number. A 'Seven' person will be more content when they tune-in to a source higher than themselves.

Eight is a number of power and abundance. The Eight person has special talents, or 'super powers' in the area of their suit.

Nine is a number of graduation and completion. A nine will find peace when they can let go of a need to control & can be of service to others.

Ten is the number of ambition, power and accomplishment. The 'Ten' person may be obsessive and likes to do things in a big way.

Jack, the youngest member of the royal family, is gifted with abundant creativity and charm. The Jack person is clever, fun & youthful.

Queen expresses power & authority with compassion. The Queen person is a nurturing soul who finds pleasure in helping others.

King is the card of masculine leadership, power and wisdom. The King person is a leader who prefers to do things their own way.

Joker is the wild card. The person who is the Joker is able to take on the personality of any card in the deck.
